

# INSTITUTE FOR TRAINING, EMPLOYABILITY AND LEARNING MOBILITY

[www.ifom.info](http://www.ifom.info)

# Our Values

**NONPROFIT VET CENTRE:** Our institute is a nonprofit social cooperative.

**ERASMUS+ ACCREDITATION:** We have a long-standing and extensive experience having sent and receive over 6000 VET students.

**INTERNATIONAL INSTITUTE:** Our team is composed of educators from all over Europe that speak fluently over 7 languages

**EMILIA-ROMAGNA:** Our region is one of the Italian and European most dynamic and strong region in terms of the economic growth rate.

# Main activities

- VET : we are involved in training, sending and hosting VET students.
- Teacher Training – innovative and practice-driven courses tailored for education staff
- Erasmus+ strategic partnership and innovation projects (EduDrone, Beware, Europe for VET+)
- Erasmus for Young Entrepreneurs

IFOM is member of:

- European Alliance for Apprenticeships (EAFA)
- Digital Skills and Jobs Coalition a multi-stakeholder partnership launched by the EC to help meet the high demand for digital skills in Europe.
- National Broadcasting Network (RND) of Euroguidance Italy.

# Erasmus+ 2021-2027 accreditation

**IFOM has been officially granted the Erasmus+ 2021-2027 accreditation as an experienced institution in the Vocational Education and Training sector.**

**We've been involved in transnational vocational traineeships since the Lifelong Learning Programme and through all the Erasmus+ 2014-2020 programme giving the chance to over 6000 Italian and European students to undergo their traineeships abroad.**

**We organize:**

- Short term mobilities – minimum 3 weeks**
- Erasmus Pro – 3 to 12 months.**

Agribusiness

Cosmetics and  
Hairdressing

We have build a strong and reliable network of companies offering quality Erasmus+ traineeships to vocational students.

In Italy we are offering Erasmus+ traineeships in Bologna, Reggio-Emilia and Parma especially in the following sectors:

# Vocational Training and Erasmus+ Traineeships

**As an Erasmus+ receiving partner we have above all experience in:**

- **Proposal review and support during the application phase** Identification of high-quality workplaces and school for staff job-shadowing;
- **Support in the selection, interview and matching between students and workplaces;**
- **Support in preparation of Learning Agreements and Quality Commitments to ensure the full recognition of the students' educational components;**
- **Support in the validation process (ECVET/Europass certificates);**
- **Management of practical and logistics details including board and lodging, cultural activities and technical visits (if requested);**
- **Continuous monitoring and evaluation of the traineeship and mentoring of the participants;**
- **Validation of participants' learning outcomes through tutoring and through ex-ante and ex-post competences' evaluation;**
- **24 hours phone support and emergency service;**
- **On-arrival training, full orientation tour and welcome kit for all the participants plus additional optional leisure and intercultural activities to get acquainted with the local community;**
- **Language courses, local transport and airport transfers (if requested).**

**REGGIO EMILIA**

**BOLOGNA**

# Cultural activities and technical visits for Erasmus+ Traineeships in Italy

We have experience in organizing cultural activities in order to make the stay more pleasant and interculturally stimulating for the learners and staff. Moreover, we can organize technical visits such as - to give an example - to the Ducati museum. Bologna is an important transportation hub and is at a short distance from Florence, Venice, Pisa and other major Italian cities.
